

# Captain

1. The Captain runs the ship
2. As captain, you coordinate the information the crew gives you, make decisions, and give orders
3. The Captain, working through his crew, completes mission objectives

## Captain's console

The Captain's Console is relatively simple and can easily fit onto a tablet or mobile phone.

The captain can set the [alert status](#). As well as monitor the [Hull Integrity](#), [Energy Consumption](#), and [Shield Status](#).

In an emergency, the Captain can Abandon Ship, saving the crew and initiating a self-destruct of the Horizons
