

Crew Roster

The Crew Roster is the list of all NPCs on the Horizons, whether they are on duty, off duty, or inactive.

The screenshot displays the 'CREW ROSTER' interface. On the left, there are three filter sections: 'CREW ACTIVITY' (On Duty, Off Duty, All), 'CREW STATUS' (Alive, Deceased, All), and 'CREW BY DECK' (All). The main area is a table of crew members, each with a name, rank, deck, heart rate, and status. On the right, a detailed view for 'JOCELYN CHASE' is shown, including a profile picture, rank (Ensign), gender (Female), and current deck (4). Below this, there is a 'CREW HEALTH' section with a human figure and a heart rate monitor showing 63 bpm. Allergies are listed as 'NKDA' and illness as 'No Known Illness'.
