# Deck Status

The Deck Status will be similar to the Center Console where it will give you information that can be found on Bridge Stations in a consolidated screen. Primarily it will show the status of each deck. It will also allow for other players to control the Main View Screen Cameras, similar to how Operations controls it.

Features

Main View Screen Control

Similar to Operations, the Camera System will change the Main View Screen to one of the selected views.

Deck Information

Status of each deck, including on duty officers and alert status.

Cargo Hold and Mission Objectives

A quick view of items in the Horizons cargo hold and objectives that need to be completed.

Bridge Stations : Flight | Tactical | Operations (Comms) | Science | Engineering | Captain
Ancillary Consoles/Displays : Center | Stellar Navigation | Stellar Body | Star System | Alert Status |
Shield Status | Cargo Hold | Radar | IRIS
In Progress (Incomplete) Consoles/Displays : Crew Roster | Collision Alarm | Dashboard | Deck Status |
Target | Scan | Vessel Status
Admin Consoles : Game Master | Mission Control | Mission Status | Designer
